Letter no C 237/29-30 D 4-4-30 requesting sanction to the resolut of the Board to entertain 4 add'l Saw Inspectors so that there may be one Inspector for each Taluk.

T 1) In Oct'29 the Chitaldrug D.B. Board submitted proposals for appointing a Saw Inspector for each T.K and Sub T.K. The grounds urged in favour of the proposal were, among others (1) the necessity to provide for the V.P. Inspectors whose appointments were abolished (2) A large number of well works undertaken in connection with the guinea worm control measures and (3) the improvement of inter village Communications. For the services of the Saw Inspectors employed under Municipalities and Village Panchayets, it was proposed to levy certain contributions from them. This principle was not approved by Govt and the Boards were told in Memo no L 5487/213 29-29 18 D 21-1-30 that the Saw Inspors employed on Chitaldrug Chellakere, Davangere and Harihar will be need not be treated as 3d Saw Inspors but to the rest Councils concerned and that the

GEN. & REV. SECT. 4904 9 APR. 1930

FROM

C. S. KUPPUSWAMIENGAR, ESQ.,
PRESIDENT, DISTRICT BOARD,
CHITALDRUG DISTRICT.

To

R. Ranga Rao, Esq., B.A. B.L.,
General Secretary to Government,
Bangalore.

Sir,

With reference to your letter No. L. 5487/L.B. 29-29-18 dated 21st January 1930 in regard to the employment of a Sanitary Inspector for each Taluk, I have the honour to state that the question of having a separate Sanitary Inspector for each Taluk was taken up for consideration at the special meeting of the District Board held on the 22nd Marc 1930. It was urged that the present system of having one Sanitary Inspector for a Range comprising two Taluks was inconvenient and did not conduce to efficient work. Owing to the large number of incomplet well works requiring attention the need for supervision of vaccination work in the Taluks, and the checking of the births and deaths Registers etc the Board considered it necessary to revert to the old arrangement of having a Sanitary Inspector for each Taluk.

For these reasons, it was resolved that provision be made for four additional Sanitary Inspectors so that each Taluk may have one Sanitary Inspector, the Taluk Sanitary Inspector, Davangere Taluk being placed in charge of Harihar Sub Taluk also.

I enclose herein a copy of the resolution of the District Board in the matter and request that sanction of Government may kindly be obtain to the same at an early date; necessary provision has been made for th purpose in the budget of the District Board for 1930-31.

I have the honour to be,
